Senior Surgeon with the Government of His Highness the Maharaja of Mysore.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore

SIR,

In forwarding herewith copies of letter No. C. 1269 L.B. dated the 27th January 1931, and its enclosure received from the President, District Board, ~~Shimoga~~ Mysore, regarding the transfer of the Malnad Improvement Dispensary at Karimuddanahalli to Bilikere, I have the honour to state that, in view of the very low average attendance at Karimuddanahalli (about 17.40), I feel convinced that the dispensary is serving little useful purpose. The proposal of the District Board to shift this dispensary to Bilikere,—which is also a malnad tract,—with the ultimate object of the transfer of the Bilikere Local Fund Dispensary to Kathnahalli in the Seringapatam Taluk, is quite commendable. I request you to kindly obtain early sanction of Government to this proposal which does not involve any extra cost excepting the small cost of transit of equipment and medicine from one place to the other.

I have the honour to be,

Sir,

Your mostobedient servant,

S. Subba Rao

Senior Surgeon.

Letter No. C. 1269 dated 27th January 1931, from the President, District Board, Mysore, to the Senior Surgeon in Mysore

---

Subject: Transfer of the Malnad Improvement Dispensary from Karimuddanahalli to Bilikere.

I have the honour to inform you that the Members of the Board interpellated me regarding the working of the dispensary at Karimuddanahalli, Hunsur Taluk. I personally visited the Dispensary during December 1930. The Dispensary is not working satisfactorily and the average attendance is very low. Considering all aspects, the Board are of opinion that the Dispensary at the place is not serving any useful purpose and it is not advantageous to continue it there any longer. People of these places are not getting the desired benefit out of the institution. The Board have therefore resolved that the Malnad Improvement dispensary at Karimuddanahalli may with advantage be transferred to Bilikere in the same Taluk. An extract from the proceedings is enclosed. The District Medical Officer and the District Sanitary Officer who were present at the Public Health Committee had no objection for the proposed change. In these circumstances I request you to kindly obtain sanction of Government for the discontinuance of the dispensary at Karimuddanahalli and transferring the provision to Bilikere. Separate communication is made for the transfer of provision of Bilikere Dispensary to Kyathanahalli.

Extract from the Proceedings of the District Board meeting held on 10th/11th Jan. 1931.

Resolution of the Public Health Committee.

2. The Committee recommends that the Malnad Improvement Dispensary at Karimudanahalli be transferred to Bilikere as it is ascertained that the average attendance there is very low.

Resolution.

" Be approved."
